Professional summary

Creative Fashion Designer with 4+ years of experience, skilled in designing unique, high-quality garments. Strong attention to detail and a passion for staying ahead of trends. Excellent communicator and team player, delivering innovative and marketable designs. Proven ability to thrive in fast-paced environments with a strong work ethic and determination.

Experience

Freelance Fashion Designer

October 2024 - December 2024

Ashna Vaswani, India, Jaipur

As a Freelance Fashion Designer at Ashna Vaswani in India from October 2024 to December 2024, I had the opportunity to work on various projects and showcase my creativity and skills in the fashion industry. I collaborated with clients to create unique and stylish designs that aligned with their visions and brand identities. I also worked closely with production teams to bring these designs to life and ensure quality control.

- Developed innovative fashion designs
- Collaborated with clients for customized pieces
- Worked on multiple projects simultaneously
- Ensured timely delivery of finished products
- Conducted research on current fashion trends

Fashion Consultant

November 2022 - September 2024

Suvasa Apparel & Furnishings, India, Jaipur

As a Fashion Consultant at Suvasa, I had the opportunity to use my passion for fashion to assist clients in creating their desired looks. Through personalized styling sessions, I helped clients discover their personal style and curate outfits that made them feel confident and fashionable. My time at Suvasa allowed me to not only enhance my fashion knowledge but also develop strong communication and customer service skills.

- Provided personalized styling sessions
- Assisted clients in discovering their personal style
- Curated outfits for clients to feel confident
- Developed strong communication and customer service skills

Ashna Vaswani, India, Jaipur

At Ashna Vaswani in India, I had the opportunity to work as an Assistant Fashion Designer, where I contributed to the design and production of multiple collections. Through this experience, I gained valuable skills in trend research, fabric sourcing, and garment construction.

- Assisted in creating seasonal collections
- Conducted market research and trend analysis
- Participated in fittings and made necessary adjustments
- Managed and coordinated with the embroidery department, ensuring design accuracy.
- Developed a keen eye for detail by working across multiple departments, enhancing workflow efficiency.
- Trained new interns on design processes
- Developed strong communication and customer service skills

Education

2017 - 2019

Bachelor of Commerce of Kanoria College, India, Jaipur

2018 - 2019

Fashion Designing of Arch College of Design, India, Jaipur

Internships

Fashion Designer
